

MVSD COMMUNITY LISTENING SESSIONS

Families and Community Members:

We want to hear from you! As newly-hired MVSD principals, our goal is to hit the ground listening and learning. Working in partnership with our families and community to develop curious, creative, compassionate, competent, action-oriented citizens prepared to change the world, we want to invite each of you to join us by participating in a series of interactive Community Listening Sessions.

Designed to ensure the actions of our schools align with what we as a community aspire to develop in our youth, we look forward to hearing about what you take pride in, what challenges we face, and what ideas you have to increase opportunities for all students as we move forward together!

Hope to see you there!
Sara, Paul, and Crosby
