

# Free COVID-19 Community Testing in Nov & Dec

## Keeping our Schools Open: It's up to all of us!

Please join **Okanogon County School Districts, OCPH, healthcare and city partners** for **FREE COVID-19 testing** throughout **November and December**.

### Why get tested?

We want our schools and economy to **fully open and to stay open!** With cold and flu season here, and the holidays coming, testing helps us understand how widespread the virus is in our community. K-12 students, college students, and families are all encouraged to get tested!

Testing coming to the Methow Valley:

**Tuesday December 1, from 3-8pm at Liberty Bell High School**

**Wednesday December 2, from 8am-1pm at Liberty Bell High School**

**Please pre-register for testing: <https://forms.gle/UMVVBjff8f9GBeut8>**  
**On-site registration also available**
